Span subject index

Achatina fulica, biological control . . . 112
Adelges spp. . . . 113
Aerial spraying, advances in . . . 70
  pesticides on cotton . . . 127 BR
Afforestation of marginal land . . . 164
Africa, malaria eradication problems . . . 60 BR
  meat from wild game . . . 7
  prospects for dairying . . . 24
  quelea menace . . . 4
  ridge cultivation in tropical . . . 175
Agency for International Development, U.S.A. . . . 121, 123
Agricultural advisory services . . . 17
  education and training for . . . 127 BR, 176
  farm management and, Central Africa . . . 175
  for peasant farmers . . . 126 BR
  in Australia . . . 86
  in India . . . 141, 142
Agricultural cooperation, growth of . . . 189
Agricultural development . . . 61 BR
  Shell Companies' projects . . . 145 (figs.)
  training advisory officers for . . . 127 BR
Agricultural engineering, degree courses . . . 138
Agricultural implements, for Indian farms . . . 143
  types used at Borgo a Mozzano . . . 147 (fig.)
Agricultural machinery, obsolescence of . . . 101
  replacement, computer-planned . . . 153
Agricultural Pesticides (Council of Europe) . . . 105
Agricultural population, Sweden . . . 7
  United Kingdom . . . 7
Agricultural productivity, and capital investment . . . 16
Agriculture, in Europe . . . 161
  intensive, in Australia . . . 86
  versus forestry on marginal land . . . 162
Agro-climatic atlas of Europe . . . 67 BR
Agroclimatology . . . 132
Agrometerology . . . 132
Aircraft, types for agricultural use . . . 71
Aldrin, profitable use in Taiwan . . . 109
Alfalfa. *See* Lucerne
Algae, nitrogen fixation by blue-green . . . 192 BR
Almond, salt sensitivity of . . . 78
Alpha-methyl-benzyl 3-(dimethoxyphosphinyloxy)- *cis* crotonate. *See* Ciodrin.
Alsike clover, salt tolerance of . . . 77
Ambilhar . . 115
Ambrosia beetle . . . 119
Ambrosia fungus . . . 119
Aminotriazole . . . 186
Analytical methods for pesticide residues . . . 103
Anaysma splendens . . . 113
Anchorfield Research Station, Darling Downs, Queensland . . . 135, 136
Animal breeding, buffalo . . . 84

Jersey-Fresian cattle . . . 130
pig cross-breeds . . . 131
sheep cross-breeds . . . 178
Animal Breeding Research Organisation, Edinburgh . . . 130
Animal diseases . . . 2
of cattle, United States . . . 125 BR
of sheep . . . 126 BR
Animal health . . . 85
in intensive production . . . 2, 190
Animal husbandry, cattle in India . . . 63 BR
Animal nutrition, feed additives in . . . 80
trace minerals in . . . 81
Animal production, modern aspects of . . . 125 BR
Animal protein, world consumption of . . . 23
Ant control . . . 194 BR
Antestiopsis spp. . . . 112
Anti-bilharziasis drugs . . . 115
Antibiotics, added to feeding-stuffs . . . 80
detection in milk, test organism for . . . 36
in meat production . . . 3
intra-mammary, against mastitis . . . 36
Apanteles sp., parasitic . . . 112
Apanteles circumscriptus . . . 113
Apple, growing in Hungary . . . 42 (figs.)
salt sensitivity of . . . 78
Apricot, salt sensivity of . . . 78
Arizona Dairy Cost Analysis program . . . 152
Armillaria mellea, attack on tea . . . 47, 48 (fig.)
Arsenicals, in pig rations . . . 81
Artificial insemination, progeny demonstration . . . 130
progestogen treatment combined with . . . 5
Artificial rain . . . 132
Asparagus, mulching with bitumen . . . 158, 159
Asphalt surfaces, weed control in . . . 75
Ash tolerance of plants . . . 6
Assam, irrigation experiments on tea . . . 72
tea-seed selection in . . . 45
Asset valuation . . . 89
Atherigona indica . . . 53
Atlas, agro-climatic, of Europe . . . 67 BR
Atrazine, use in sorghum crops . . . 53
Attractants, insect . . . 62 BR
Aureomycin in livestock rations . . . 80
Australia, agricultural extension services . . . 86, 87
buffalo population . . . 84
farm management clubs . . . 88
milk yield per cow . . . 24
milking parlour developed in . . . 29
research on animal reproduction . . . 125 BR
soybean varieties for . . . 135
Australian Institute of Agricultural Science . . . 87, 88
Austria, forestry trends in . . . 164
Avocado, salt sensitivity of . . . 78
rootstock . . . 78
Azya luteipes . . . 112
Azotobacter vinelandii . . . 192 BR

b

Bacillus stearothermophilus test for antibiotics in milk . . . 34 (fig.), 36
Back rubbers, insecticidal . . . 37, 39 (fig.)
Bacteria, nitrogen fixation by cell-free extracts of . . . 192BR
Bacterial leaf blight of rice . . . 168
Bajra (pearl millet) HB-1 . . . 49, 53 (fig.)
Balsam woolly aphid . . . 113
Banana, export from Honduras . . . 121
Bankia sp. . . . 120
Barbados, weed control in sugar cane . . . 138
Barley . . . 22
drilled into chemically treated stubble . . . 171 (fig.)
feeding grade, price increase . . . 26, 27
salt tolerance of . . . 76
Barley beef production . . . 2, 14
Barn-dried hay . . . 186
Bath and West and Southern Counties Society . . . 17
Beans, mulching with bitumen . . . 158, 159
salt tolerance of . . . 76
Beardless wild rye, salt tolerance of . . . 77
Beef carcass, flexing index . . . 125 BR
quality criteria, butchers' preference . . . 182
Beef cattle, cross breeds . . . 130
feed additives for . . . 80
feeding Dynafac to . . . 81
grazing on N-treated pasture . . . 8
iodine requirements of . . . 82
rationing . . . 155, 156
standard buildings for . . . 130
yards for . . . 68 BR
zinc nutrition of . . . 82
Beef production, economic factors in . . . 14
grassland fertilising with nitrogen and . . . 135
progestogen treatment of cows and . . . 5
Beet, salt tolerance of . . . 76

Beetle-fungus association in trees . . . 122
Bell pepper, salt tolerance of . . . 76
Beneficial insects . . . 46
shipments arranged by CIBC . . . 112, 113
Benzene hexachloride, control of rice pests by . . . 167
repellent to pine bark beetle . . . 123
Bermuda, decimation of cedars in . . . 111
Bermuda grass, salt tolerance of . . . 77
Berry fruits, salt tolerance of . . . 78
Big neck in cattle . . . 82
Bilharziasis, control measures . . . 114 (figs.)
Biological control . . . 110
of cotton pests . . . 127 BR
organisations concerned with . . . 105
Bird pests . . . 4
protection of millet against, genetical . . . 52 (fig.)
Birdsfoot trefoil . . . 77
Bitumen mix, Prefix in . . . 75
mulches, crop response to . . . 157
Blast disease of rice . . . 65 BR, 168
Blister-blight of tea . . . 47 (fig.)
Blue-stain of timber . . . 118, 122, 123
Bolivia, dairy industry . . . 24
Book reviews
Agricultural insects of Ghana, by Forsyth . . . 128
Agro-climatic atlas of Europe, Thran and Broekhuisen . . . 67
Conditions of agricultural growth, by Boserup . . . 61
Cotton pests of Sudan, Ripper and George . . . 127
Diseases of feedlot cattle, by Jensen and Mackey . . . 125
Earth can feed us, by Osvald . . . 193
Extension in rural communities, by Savile . . . 127
Farm buildings: Vol.I - techniques, design and profit, by Weller . . . 67
Farming and food supplies, by Bramley . . . 128
Farming as a business, by Upton and Anthonio . . . 126
Genetics and breeding of sugar cane, by Stevenson . . . 66
Grassland and fodder resources of India, by Whyte . . . 63
Insecticide and fungicide handbook (2nd ed., revised by Martin), . . . 128
Insecticides of plant origin, by Feuell . . . 62
Malariology - with special reference to Malaya, by Sandosham . . . 195
Migrants and malaria, by Prothero . . . 60
Mineral nutrition of the rice plant, (proc. of symposium at IRRI) . . . 64
Modern aspects of animal production, by Yeates . . . 125
Nitrogen fixation in plants, by Stewart . . . 192
Nutrient minerals in grassland herbage, by Whitehead . . 195
Organisation and evolution in plants, by Wardlaw . . . 64
Plant protection principles and practice, by Mukundan . . . 194
Plantation agriculture, by Courtenay . . . 124
Profitable sheepfarming, by Cooper and Thomas . . . 126
Sheep farming today, by Thomas . . . 195
Rice (4th ed.) by Grist . . . 65
Rice blast disease (proc. of symposium at IRRI) . . . 65
Shelter belts and windbreaks, by Caborn . . . 68
Tea (2nd ed.), by Eden . . . 66
Textbook of entomology, by Ross . . . 62
Uboma: a socio-economic and nutritional survey of a rural community in Eastern Nigeria, by Oluwasanimi, Dewan and others . . . 196
Weeds of Canada and the Northern United States, by Montgomery . . . 194
Weeds of the world: biology and control, by King . . 193
Wheat, by Peterson . . . 66
Borgo a Mozzano, development programme . . . 146
Boron, content of fuel ash . . . 6
Bostrychus spp., geographical distribution of . . . 118
Bovine mastitis . . . 32, 33
Bracon gelechiae . . . 111
Bramble Committee report . . . 2
Brazil, grassland in . . . 24
National Forestry School . . . 59 (fig.)
Brazzaville (Congo), pilot market garden . . . 148
Breeding. *See* Animal breeding; Plant breeding.
British Seeds Council . . . 74
Broad bean, salt tolerance of . . . 76
Broccoli, salt tolerance of . . . 76
Broiler hen production . . . 14
Brunei, experimental farm . . . 148
Brussels Treaty Organisation . . . 104
Budget control, computerised . . . 153
Budgetary analysis . . . 90, 94
Budgets, family farm . . . 97
Buffalo, breeding . . . 84
draught animal . . . 83 (fig.), 85
world population and distribution of . . . 83
Buffalo milk . . . 84, 85
Business management. *See* Farm management.
Butter, standard of composition of . . . 41
supply in Western Europe . . . 23
surplus, Europe . . . 161
Butter-oil . . . 41

C

Cabbage, salt tolerance of . . . 76

Cactoblastis cactorum . . . 113

Calcifuge plants, tea as . . . 45

Calf, buffalo . . . 84

disease and mortality of . . . 3

feeding antibiotics to suckling . . . 80

finishing for beef . . . 14

houses for . . . 68 BR

manganese deficiency symptoms . . . 4 (fig.)

skim-milk feeding . . . 23

Calving, synchronisation by progestogen administration . . . 5

Canada, weed species of . . . 194 BR

Capital, sources for farming . . . 16

Capital investment, appraisal methods . . . 89

return from forestry on marginal land . . . 164

Capping of soil . . . 174

Carrots, mulching with bitumen . . . 159

salt tolerance of . . . 76

Cattle, intensive management . . . 125 BR

manganese deficiency diseases . . . 4 (fig.)

shipping fever disease . . . 80

See also Beef cattle; Dairy cow.

Cedar scales, biological control . . . 111

Cellulose digestion by termites . . . 119

Central Electricity Generating Board, fuel ash disposal and use . . . 6

Central Veterinary Laboratory, mastitis control . . . 35

Ceratocystis sp. . . . 118

association with pine bark beetle . . . 122

Ceratocystis ulmi . . . 120

Cercosporella herpotrichoides . . . 11

Cereals, acreage, United Kingdom . . . 11

breeding, in Sweden . . . 71

copper deficiency in . . . 11

diseases of, and yield . . . 11

distribution of Swedish varieties in Europe . . . 72

expansion policy, United Kingdom . . . 162

growing, agro-ecological atlas of . . . 67 BR

tillage practices, temperate areas . . . 169, 170 (fig.)

Ceylon, acreage under tea, T.R.I. clones . . . 45

yield of tea . . . 46

Chad, quelea research project . . . 5

Chaetomium spp. . . . 118

Cheel hoe . . . 48 (fig.)

Cheese, French export of Roquefort . . . 179

milk consumption in . . . 40

Chembiotics . . . 80

Chilo partellus . . . 112

Chilo suppressalis . . . 167

Chilo zonellus . . . 53

Chilotraea infuscatellus and parasite of . . . 113 (fig.)

Chiludra terebrans . . . 120

Chilura spp. . . . 120

China, pasture utilisation in . . . 24

Chisel plough . . . 170 (fig.)

Colbred sheep . . . 178

Chloride, sensitivity of fruit crops to . . . 78

Chorioptic mite, control by Ciodrin . . . 37

Chronica Horticulturae . . . 8

Ciodrin, insecticidal action of . . . 37

toxicity to ectoparasites on cows . . . 37

Ciovap, for fly control . . . 39

Citrus rootstock, salt tolerance of . . . 78

Citrus scale, biological control . . . 112

Clams, wood-boring . . . 120

Clean cultivation in orchards . . . 44

Climate . . . 132

fungus distribution and . . . 118

livestock productivity and . . . 125 BR

salt sensitivity of crops and . . . 78

tea yields and . . . 45

Clostridium pasteurianum . . . 192 BR

Clovers, salt tolerance of . . . 77

Cobalt deficiency diseases of ruminants . . . 82

Coccophagus gurneyi . . . 112

Cocksfoot, yield of S varieties . . . 185

Codex Alimentarius . . . 104

Coffee, plantation industry, India . . . 54, 56

Colombia, dairy industry . . . 24

Colonial Development Corporation . . . 165

Coltsfoot, control by Prefix . . . 75

Committee on Transactions in Seeds (C.T.S.) . . . 21

Communication, in computer techniques . . . 94

Commonwealth Agricultural Bureaux . . . 110

Commonwealth Institute of Biological Control . . . 110

Communication, in computer techniques . . . 94

network analysis . . . 98, 152

use in management of farms, Rhodesia and Zambia . . . 176

Concentrates, systems of feeding to dairy cows . . . 25

Condensed milk, standard of composition . . . 41

Condor oat variety . . . 72

Conservation of green crops . . . 135

Consumer Safety in Relation to Pesticide Residues, Principles Governing (FAO) . . . 104

Continuous cropping of cereals, yield reduction in . . . 11

Convention for the Protection of New Varieties of Plants . . . 21

Copidosoma koehleri . . . 111
Copper deficiency in cereals . . . 11
Copper fungicides for the tea crop . . . 47
Cordia macrostachya, biological control . . . 113
Cost analysis, computerised . . . 152
Costs, break-even chart . . . 13, 15 (fig.), 152, 154
of apple growing, Hungary . . . 44
of bitumen mulching . . . 160
of forest establishment . . . 164
Cotel (dairy farming) . . . 189, 190
Cotswold hybrid pigs . . . 131
Cotton, mulching with bitumen . . . 158
ridge tieing equipment for . . . 174 (fig.)
salt tolerance of . . . 76
yield improved in Thailand . . . 74
Cotton pests in Sudan . . . 127 BR
Cottony cushion scale, biological control . . . 112
Council of Europe, concern with pesticides . . . 103, 104, 105
County Advisory Office (C.A.O.) . . . 17
Courtaulds Ltd., pulp mill . . . 165
Credit schemes for Indian farmers . . . 142, 144
Creep grazing of lambs . . . 126 BR
Crested wheat grass, salt tolerance of . . . 77
Crop driers, large scale . . . 135
Crops, drying . . . 135
quality and yield, soil salinity and . . . 77
yield potentialities in England . . . 12
Cryptochaetum iceryae . . . 112
Cryptolaemus montrouzieri . . . 112
Cryptotermes domesticus . . . 119
Cryptotermes dudleyi . . . 119
Cyprus, forest school in . . . 57
Cyzenis albicans . . . 113

d

2,4-D amine, aerial application of . . . 138
Dairy cows, feeding costs . . . 25, 27
insect pests of . . . 37
Jersey-Friesian cross-breed . . . 130
machine milking . . . 29
mastitis treatment . . . 35
milk yields 24
numbers of Ciodrin treatments on, U.S. . . . 38
progestogen treatment to control oestrus . . . 5
rationing . . . 154, 155
rations, milk yields and live weights recorded . . . 27
wafered hay for . . . 133
Dairy farming, cotel system . . . 190
herd size, United Kingdom . . . 32
mechanisation in . . . 29
use of computer for cost analysis . . . 152
Dairy industry, hygiene in . . . 35
losses from mastitis incidence . . . 33
need for standards . . . 40
Dalapon in grassland improvement . . . 186
Daldinia spp. . . . 118
Date palm, salt sensitivity of . . . 78
D-D, control of red root of tea by . . . 66 BR
fumigation of tea nurseries with . . . 47
profit from fumigating tomato soil with . . . 109
DDT, control of cotton pests by . . . 127 BR
DDVP. *See* Vapona.
Demonstration plots, India . . . 141
Dendroctonus mexicanus, life cycle and habit . . . 122 (fig.)
Denmark . . . 161
dried grass production in . . . 135
Deodar, termite resistance of . . . 120
Desert land reclamation, Australia . . . 86
Diatraea saccharalis . . . 112
2,6-Dichlorothiobenzamide. *See* Prefix.
Dieldrin, control of shot-hole borer with . . . 66 BR
toxicity to parasite of tortrix moth . . . 46
Diethylstilboestrol (DES), administration to livestock . . . 80
Dimecron, control of rice pests by . . . 167
Dimethoate, control of cotton pests by . . . 127 BR
Dinoderus spp., geographical distribution . . . 119
Discounted Cash Flow (D.C.F.) . . . 91
District Advisory Officers (D.A.O.) . . . 18
Drainage, plastics piping for . . . 8
Drayton Experimental Husbandry Farm, cattle grazing trial . . . 186
Dried grass, feeding value for ruminants . . . 135
Drino imberbis, parasitic on *Heliothis* sp. . . . 112 (fig.)
Drought, injury to crops from . . . 3
sensitivity of rice to . . . 168
tea quality and . . . 45
Drying, production of green crops for . . . 135
Drywood borers . . . 119
Durra. *See* Sorghum.
Dusmetia sangwani . . . 112
Dutch elm disease . . . 120
Dynafac . . . 81

East African Tea Research Institute, Kenya . . . 73
Economics, farm buildings . . . 68 BR
forestry and agriculture on marginal land . . . 163
rural development and land use . . . 61 BR
sheep farming . . . 126 BR
